PLUMBING AND PIPEFITTING APPRENTICE

An apprentice in the Plumbing and Pipefitting Industry is a person who is engaged in learning a trade by working with and assisting a qualified journeyman in all phases of the Plumbing and Pipefitting Industry. The Apprentice Program requires on-the-job training as well as class related instruction. An apprentice may be exposed to repair, commercial and industrial construction installations. Each apprentice will be required to pass local code requirements and work with power tools and equipment such as pipe machines and cutting torches. An apprentice will also be exposed to blue print reading, drafting and mathematical calculations and computations related to the industry.

Applicant must meet the following general qualifications:

1. High school graduate or equivalent.
2. Minimum age: 17 (Must be 18 by June 1)
3. Must possess and maintain a valid, class C, driver's license and be insurable.
4. Must provide copy of high school diploma with high school transcript or G.E.D. certificate with test results for application file.
5. Must provide a copy of Birth Certificate for your application file.
6. Must be able to attend related classroom instruction.
7. Applicants must demonstrate ability to read and interpret safety rules and regulations.
8. Experience – none, will train.
9. Before final acceptance into the program, individuals must provide evidence of freedom from drugs.

This is a five-year program. Applications will be taken March 1 – 12, 2010. Persons interested in this program can contact the Plumbers & Pipefitters Apprenticeship Training of Kansas at 1330 E First Street, Suite 110, Wichita, Ks 67214, (316) 267-8508 for more information.
