Award Criteria

Awards will primarily be based on academic achievement and potential, personal achievement, and community involvement. Scholarships will be awarded without regard to race, color, religion, sex or national origin. Applications will be judged by an independent and impartial Selection Committee, comprised of distinguished members of the community. Financial need may also be considered in making awards. The Selection Committee may request information concerning the financial circumstances of applicants and use this information in the award of scholarships. Finally, because UA scholarships do not automatically renew each year, receiving an award in one year does not guarantee you awards in future years.

In addition, six scholarships will be given to six "Second Chance" applicants. Those selected will be students whose academic achievement is not the best in their region, but rather students who demonstrate that they want another chance at an education at an institution of higher learning.

Awards should be announced by the end of July 2024. A list of winners will be posted on www.uanet.org, which is accessible by UA members. *All applicants who submit paper applications by mail will be notified by mail of final results.*

¹ "Child" is defined as any unmarried natural or adopted child of a UA member who is dependent upon that UA member's financial support and maintenance.

"Grandchild" is defined as any unmarried natural or adopted grandchild of a UA member, in good standing, who is dependent upon that UA member's financial support and maintenance and who has a regular parent-child relationship with that UA member.

"Spouse" is defined as any spouse of UA member, in good standing, who is dependent upon that UA member's financial support and maintenance and who has a regular spousal relationship with that UA member.

Children, grandchildren, and spouses of deceased UA members are also eligible if the child, grandchild, or spouse was dependent upon that UA member's financial support and maintenance prior to their passing.
